A STORY YOU CAN HOLD

This is the only piece in tonight's auction that cannot be replicated, purchased, or found anywhere else in the world.

Created by a resident of The Hallow, a teenage survivor of sex trafficking, this original work reflects lived experience, quiet resilience, and the kind of courage that emerges when someone finally feels safe enough to create -- this is more than art, it's a story of survival.

Story Behind the Artwork in the Artist's Words

"Healed is not about not making mistakes
It's about being surrounded by your mistakes
and not letting them control your future"
